Brett Outchcunis [ooch-KOO-nis] is a motivator, entertainer, storyteller, yo-yo guy and dancer rolled into one compact package. Measuring in at a whopping 5’6”, “Ooch” as students affectionately call him, finds a way to relate to kids on their level – LITERALLY! Brett has been touring and performing in front of audiences around the world for 10 years!

The "Positive Spin" program is a 60-minute performance that empowers every student to turn negative situations into positive ones through the use of two, simple words - "Spin it!". The performance addresses issues that are important to elementary schoolers and affect them on a daily basis. Ooch discusses and offers tips and tricks for such issues as **popularity, making and keeping friends, earning respect of teachers and peers, becoming comfortable in your own skin, bullying and dealing with failure.** Through the use of his own personal stories and the help of music, magic, imagination, yo-yos and dance, Ooch puts a positive spin on the challenges of growing up!

Recommended ages for this show: 1st – 8th grades
