

Yo-Yos, Dance and More for Scouts!

Hello scouting organizers!

My name is Brett Outchcunis (ooch-KOO-nis). I specialize in Yo-Yo activities for boy and girl-scouting events and would love to have the opportunity to perform at your Camp, Blue and Gold, Pack Meeting or Fund-Raising Activity. Please visit my website for additional information.

Here's some information on what Brett does -

Brett Outchcunis offers yo-yo programming for scouting organizations from Tiger Cubs through Eagle Scouts and Brownies through Girl Scouts. These programs are suitable for any meeting where fun and learning is encouraged!

The programs focus on skill building and self-esteem. Utilizing the yo-yo as the vehicle for a larger message, "Ooch" astonishes young and old alike with his skill, knowledge of the toy and his down-to-earth, matter-of-fact and sometimes sometimes goofy sense of humor.

Brett incorporates music in his yo-yo shows and a sprinkle of creative movement. He feels that the yo-yo experience should be a "group participation" activity and "yo-yo grooving" can be rather fun and stimulating.

Each show is ***fine-tuned*** to suit the needs of the organization. Brett always makes a point to incorporate whatever theme or message the organization is trying to enforce with the scouts. Getting "the message" across to the scouts isn't always an easy task for the scout leaders, and often an alternate approach such as this proves effective.
